From Our President

Have you ever been to a seminar? What needs to happen? You need to carve out a day and travel to the location, even if it rains or snows or... Imagine if you knew how to create an event for 20 or more attendees, all from your home computer or laptop? You would save time, money and the dreaded thought of only 4 people in the audience (it's happened to me).

Well, stop dreaming NAPO-CT, because this month we will all learn how to **“Create A Webinar”**, so we can add an additional income stream to our businesses.

Join us on **Friday, November 21st** for the last chapter meeting of 2014. This will be your final opportunity to network in a meeting environment with your fellow members for the next two months. What jobs are you working on? What type of clients do you like to work with? Who needs help? What did you do differently this year in your business? What fresh ideas can we bring to the table to improve the public awareness of NAPO-CT? These are the types of questions we ask each other during networking to learn and grow as Professional Organizers.

We give thanks to the abundance of dedicated, intelligent, and professional chapter members who have made this year an awesome one.

Happy Thanksgiving!
