Dear {FIRST_NAME|NAPO CT Member},

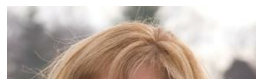

Welcome back everyone!

I hope you all enjoyed your summer and had an opportunity to take a little time for yourself and spend time with your families. September is finally upon us, so I hope you are ready to "get down to business".

For our first meeting of the season, we will forego a speaker and give our membership the opportunity to tell us about what YOU would like to have presented at our meetings this season. It's been over a year since we asked our members to provide us with ideas for speakers, so we've decided to get your up-to-date feedback. I believe that we had some terrific speakers last year and that we all learned a lot that we could implement back into our businesses. It's imperative that we keep that momentum strong! If you are unable to attend September's meeting and have some ideas you would like to share, please forward them to Michelle Nahom at: michelle.nahom@appo.org

In other exciting news...I have requested that a NAPO National Board Member visit our Chapter this year. Every year board members travel around the country speaking to local chapters and addressing any questions they may have about NAPO National and/or our industry. Hopefully our chapter will be approved for a visit. Stay tuned for updates.

Lastly, we will also take some time at our first meeting to break into the committees that we signed up for last season. It's time for each committee to begin strategizing what they would like to accomplish this year and to create a timeline to achieve those goals.
